# Montpellier in Occitanie region

## **MONTPELLIER, THE PERFECT DESTINATION TO STUDY FRENCH**

A city with university traditions, the birthplace of medicine in Europe, 1st destination to learn French in France after Paris. Montpellier is easily accessible and allows you to visit other places in France and big European cities!

## **AN EXCEPTIONAL QUALITY OF LIFE!**

Montpellier is a middle-sized city where most of the daily travel is done on foot. The largest pedestrian area in Europe offers you beautiful squares, sunny terraces, nice fountains to relax and enjoy the sun after class.

## **THE SUN, THE BLUE SKY AND THE MEDITERRANEAN SEA**

Thanks to its 300 sunny days per year, Montpellier is called "the city where the sun never sets". The sandy beaches of the Mediterranean sea are a few minutes from the city center with public transportation.

## **A CITY AND A REGION FULL OF HISTORY**

In the heart of France's leading tourist region and the world's largest vineyard for local wines, Montpellier and the Occitanie region give you access to millennia of history and breathtaking natural landscapes.

Aigues-Mortes and Camargue, Avignon and the Pope's Palace, Nimes and the Pont du Gard, Carcassonne.

A photograph of two young women sitting at a small outdoor cafe table. The woman on the left has blonde hair, wears sunglasses and a light blue denim shirt over a white top. The woman on the right has dark hair, wears a straw hat and a red patterned dress. They are both looking at each other. On the table are a white coffee cup, a blue teapot, and a small bowl. In the background, there is a stone fountain with a bird perched on it, and a building with arched windows. A speech bubble is overlaid on the top left of the image.

I spent two months there and I absolutely loved it! The teachers are great, you learn a lot in every class and it's a new subject every day. Classes are very well prepared and the location is just perfect, two minutes walking distance from cafes, restaurants, parks, a mall and place de la Comédie! I can't wait to go back!!
