FRENCH FOR GROUPS (STUDENTS, ADULTS, TEACHERS)

Whatever your project is, Accent Français will offer you a course programme based on your students' profiles. More than 1200 school groups have entrusted their students to Accent Français. Choose us and rely on our team of experts!

Course Programme

You can choose among our regular courses in international groups or enjoy a tailor-made programme designed by our pedagogical team according to your students profile and targets :

General French (Standard or Intensive course)	Intensive exam preparation course for DELF/DALF, DFP, TCF (International or closed groups)	Specific French (Business, legal, medical, tourism...)
Cultural French (French + Activities & Excursions)		Teaching French (Digital pedagogy, teaching methods...)

✓ Follow-up: observations in class are organised so that group leaders are involved in the progress of the programme, as well as regular meetings with the teachers for an optimal follow-up. All absences or delays will be reported to the group leaders.
✓ Certification: Our pedagogical team will deliver a certificate of attendance to each student on the last day of class.

The two weeks we spent in Montpellier at Accent Français were very enjoyable. Our whole group had a wonderful time with you. From the very first contact, even with the preparations, everything was well organised, without the slightest delay and very professional. Stéphanie, Steffy, Sophie, Quentin, thank you so much for your warm welcome, your kindness and your smiles. It was a great pleasure working with you).

All our students were very happy with the courses and very satisfied with the accommodation. The programme of cultural activities and varied excursions was remarkable. This stay will remain for us a great memory full of impressions, emotions, linguistic and cultural progress and, of course, the Occitan sun!

Olga Kryukova, Daria Moisseeva and your grateful students from Lomonossov University

Our teaching methods

- Structured pedagogical path with evaluations before, during and at the end of the programme
- Communicative and interactive approaches, weekly programme established according to the CEFRL with class projects
- Daily practice of all 5 different skill sets: written and oral comprehension, written and oral expression, oral interaction
- Varied course material (specialised textbooks and methods), authentic documents (newspapers, songs, dialogues, games, book extracts...) thanks to our modern equipment (Interactive White Boards, computers/screens in each classroom)...
- All course documents provided by the instructor and chosen according to the programme and group profile
- Small groups to allow a personalised follow-up, 9-10 persons in average (max 12 students in our international classes, up to 12 students if closed groups).

I arranged a trip for 11 people to learn and practice French and we had such a great time learning with Accent Français. Right from the very first email that I sent, the team at Accent Français were quick to respond, friendly, informative, polite and professional.

The members of the group were put into classes that perfectly suited their levels of French. The teachers were excellent and everyone enjoyed the experience immensely. I couldn't have asked for more, the team went out of their way to make us all feel at home!

There are lots of 'extra-curricular' activities to take part in too, such as guided tours, tasting sessions and cookery courses. Montpellier is also a lovely place to visit! I wouldn't hesitate in recommending Accent français to anyone - in fact I'm already thinking about my next trip to Montpellier!
