INSURANCE
Accent Français has subscribed an insurance policy to protect people on its premises and during educational outings.

HEALTH
Students are responsible for any expenses incurred in case of illness or accident. We strongly advise non-European students to make sure their health insurance will cover their expenses and medical costs. You must check with your insurance company the conditions for quarantine and disease management with your insurance before travelling. A pandemic may force the health authorities to quarantine a sick student which results in additional accommodation costs, which is not the responsibility of Accent Français. Accent Français reserves the right to refuse access to courses to any student suffering from physical or mental pathologies that have not been reported during their registration, or informing us after arrival of a pathology that could endanger students and staff of the institute.

We also advise you to subscribe to a "personal liability" insurance policy to protect you in case of damage caused to a third party during your stay. Accent Français cannot be held liable for any theft, damage or loss of personal belongings of students during their stay.

MINOR STUDENTS
Accent Français welcomes students from 16 years old all year round. In our adult programmes (16+), Accent Français does not provide specific supervision for underage students. A waiver of responsibility form must be returned to us before the start of the course. Parents may allow their child to go out in the evening, but no change in the time of departure will be possible after arrival. Students whose parents have not completed, signed and returned this form will not be allowed to start the programme.

ANNUAL CLOSING AND BANK HOLIDAYS
The school is closed on French bank holidays, no classes are held on those days. An excursion or activity is offered to replace the group courses. The school will be closed during 2 weeks for the Christmas holidays.

COURSE ORGANISATION
At Accent Français, you will be placed in a group corresponding to your French level through our written and oral tests. The online placement test must be taken within 72 hours after registration. This test is mandatory to guarantee you a placement in the right level group. It includes oral understanding, written understanding and written expression. Your level of speaking will be assessed during the first session of your course. If you are already learning French, you will be invited to mention it during the test and we will estimate your progression.

Accent Français guarantees courses for all levels from A1 to C1, year round, with a minimum of 4 students per class for Standard and Intensive courses. Below this minimum number of participants, the courses might be canceled or be considered as semi-private lessons and will then reduce the number of lessons by 50% of the initial course volume.

The maximum number of students per class is :

- For our Adult courses: 12 participants per class
- For our Junior courses: 15 participants per class

- Lessons take place from Monday to Friday and, for the Standard course, from 9.00 am to 12.15 pm or from 2.15 pm to 5.30 pm. Each lesson lasts 45 minutes.
- The timetable is displayed at the school reception on Fridays for the following week; lesson times are set by the school based on the results of the placement test and the classes available. Students are asked to check the timetable and to let us know if they are going to be absent.
- Any missed lesson is lost and cannot be postponed or refunded. At the end of the course, students receive a certificate stating the level they have reached.
- The courses are given in French for a better efficiency.
- For pedagogical reasons, you may need to bring your smartphone, tablet or personal computer.
- You are requested to arrive on time for the course so as not to disrupt the course. Attendance sheets will be filled in by your teachers after the start of the course. If you are late, you may be refused access to the course.
- **For the 50+ program :** Activities are reserved for participants of this program with a minimum of 6 students. If fewer than 6, Accent Français may open them to all students.

SECURITY – PREMISES - HYGIENE
The institute has signposted emergency exits. In case of fire, follow the posted instructions and those given by the staff. Any accident or incident must be reported.

Rules:
• Smoking is prohibited inside the school and on the balconies
• Cigarette butts and waste must be disposed of only in the designated bins.
• It is forbidden to leave vehicles or bicycles inside.
• It is forbidden to leave personal belongings unattended; each student is responsible for their own belongings.
• Accent Français is not responsible in case of theft.

In the event of the school being closed due to force majeure or following a decision or recommendation by the authorities (red weather alert, health crisis, natural disaster, etc.), lessons and activities may be suspended without any make-up sessions, refunds or compensation. In the event of a prolonged closure, Accent Français reserves the right to deliver all or part of the lessons remotely, depending on the circumstances and the duration of the event.

Sanctions:
The Management reserves the right to expel students without refund in cases such as: possession or consumption of drugs, alcohol abuse, drunkenness in class, vandalism, repeated disruptions, failure to comply with the rules, harassment or threats. In such cases, a disciplinary procedure will be initiated: a meeting between the Management and the student to review the decision.

ACCOMMODATION

- If you choose to stay with a host family, transfers from/to Montpellier railway station (Gare Saint Roch or Sud de France), coach station (Sabines or Odysseum) or airport are ensured by your hosts if within 8am and 22pm.
- In case of pandemic, it should be noted that even if families respect the rules of sanitary hygiene, living together implies a proximity that is obvious. The minimum distance of one metre can be difficult to respect when living in a family and sharing meals, kitchen, living room and bathroom. Accent Français and the host families are not responsible in case of contamination.
- For accommodation in hotels or apartments in private residences, each accommodation sets up its own protocol. Accent Français cannot be held responsible in case of contamination.

IMAGES / SOUND BROADCAST AND DATA PROTECTION
During your stay, we may take pictures, videos during courses, activities etc. and use them to promote Accent Français (website, social networks, etc.). Acceptance of our general conditions at registration implies acceptance of the use of these pictures and videos, with no limit in time. All necessary data given during your registration are collected and processed to provide you with the best possible service. This data is for internal use only. The French law on data protection gives you the right to access and change your contact details. If you wish to exercise your right, please contact us at the following email address: contact@accentfrancais.com

CLAIMS AND LITIGATIONS
You can make suggestions or file a complaint concerning the organisation or the progression of your stay by filling in a comments form available upon demand at the reception. It is important that you provide us with detailed information in order for us to solve your problem as soon as possible. In case of dispute, the Court of Montpellier will be the only court qualified in the matter.
