The course organisation:

- **Secure access** to our virtual classrooms,
- Sharing of **course materials** via an application,
- **100% of class time on video** with your teacher and classmates for real time exchanges.

We have been integrating **new technologies** in the classroom for several years now, our mastery of these tools allows us to **easily juggle between video, live chat and educational platform**. The class will be dynamic and interactive, **you will feel like you are really in class with us at Accent Français!**

The teaching material is made up of **authentic tutorial resources**, so that our teachers adapt them to the students' profiles and the course programme.

Standard Course in group (from A2 level)

20 lessons per week (1 lesson = 45 minutes)

Every day, we will work on the **5 different language skills** as our teachers ensure student interaction even with distance learning : **listening, speaking, writing, reading and interacting !**

Our teachers will **follow your progression live** and give you feedback while correcting your individual work. They will provide **individual coaching** as well as extra work if you need to consolidate some language skills.

Course schedule : 10h00-13h15 on Monday, 9h00 - 12h15 from Tuesday to Friday (French time)

At the end of your course, you will receive a **school certificate** that shows your level of French.

Intensive Course in group (from A2 level)

30 lessons per week (1 lesson = 45 minutes)

With this Intensive course, you will follow our **Standard course** and you will have **3 complementary classes per week** to deepen your learning of the French language.

These 10 lessons will enable you to **practise more French**, to integrate more vocabulary and to **quickly be more at ease in French interaction**.

Course schedule : Standard course

+ 13h15 - 15h45 from Tuesday to Thursday (French time)

At the end of your course, you will receive a **school certificate** that shows your level of French.

DELF/DALF Preparation course (B1/B2/C1)

6 lessons per week (1 lesson = 45 minutes)

Our DELF preparation programme will allow you to familiarise yourself with this exam, to understand what is expected of you and thus, to take it in the best conditions **for a result that meets your expectations!**

Our teachers are perfectly familiar with the **exam methodology**. They will follow your progress live and will give you **personalised feedback on your language acquisition** while correcting your productions.

Course schedule: 1.30pm - 3pm on Tuesday, Wednesday and Thursday (French time)

At the end of your course, you will know the exam tests and **will be able to take the DELF with confidence** in the centre nearest to you!

Private French courses

(1 session = 45 minutes)

Our one-to-one lessons will **perfectly meet your expectations!**

With Accent Français, you will benefit from a **tailor-made programme** for each of the sessions you book. Our teachers will give you secure access to your virtual classroom. They will share with you all the course materials that will be **adapted to your level of French, your needs and your objectives.**

We will work on all 5 skills, even with distance learning!

You will listen, speak, write, read and interact in French!

Each session lasts 45 minutes and our teachers will give you work to do at home in autonomy to optimise the lessons. They will follow your progress and give you a **personalised feedback** on your language acquisition each week. They will **adapt the course content** according to your progress.

At the end of your course, you will receive a **school certificate** attesting to your level of French.

Training for FLE teachers

Improve your skills throughout your career!

Since 1998, Accent Français has specialised in the teaching of French as a Foreign Language and offers high quality immersion stays. Accent Français has always been involved in a **quality approach aimed at excellence** in order to offer **state-of-the-art teaching** and complementary services. It is an active member of the "Groupement FLE" and a historical member of "Campus France".

As **experts in FLE teaching**, we offer courses for FLE teachers aimed at trainers who wish to update their teaching techniques and exchange on their working methods.

We have been integrating **new technologies into the classroom** for many years: digital platform for sharing resources for teachers, collaborative and educational applications in class, virtual classrooms for sharing course materials with learners, online exercise platform for students, etc.

The use of technology and distance learning are key competencies!

You can continue to train in the best conditions to improve your skills thanks to the distance learning courses offered by Accent Français!
